INTRODUCTION

The Worcestershire Guild of Designer-Craftsmen is a non profit making mutual association, which was formed in 1952 to aid craftsmen by organising exhibitions of their work. Its secondary purpose is to combat the isolation of self-employed craftsman in his workshop.

The Guild now finds itself to be a respected body, with the demand for membership increasing.

It is hoped that the following pages meet current needs and many future requirements, whilst maintaining the basic philosophy of the founding members.

1.0 DEFINITIONS

In these rules:

"the Guild" means The Worcestershire Guild of Designer-Craftsmen.

"Member" means an individual or partnership.

"Partnership" means Members, who in working together, jointly contribute to the making of a single identifiable product. They have one vote, pay one Subscription, Show Fee and Commission and have one entry in the Membership Brochure.

"Joint Exhibiting Members" means those Members who share a single exhibition space.

"Designer-Craftsmen" & "Guest Exhibitor" means any person, who makes creative use of durable material; designing, making and selling his/her work through agents or directly to the public. The term, in this definition, does not cover the fine arts.

"the Committee of Craftsmen" means all the Full Members of the Guild.

"the Organising Committee" means the Officers of the Guild, who may be Exhibiting or Non-exhibiting Full Members.

"show/s" means show/s and/or exhibition/s.

"selling price" means the price paid for an item by the purchaser to the vendor.

2.0 NAME

2.1 *The Society shall be called "The Worcestershire Guild of Designer-Craftsmen"*

3.0 THE OBJECTIVES OF THE GUILD

- 3.1 To bring together independent craftspeople, who take pride in their work and who, with originality and in the pursuit of excellence, produce high quality well designed items.
- 3.2 Members should aim to derive the majority of their earnings from the practice of their craft
- 3.3 To organise shows where, through the support of the Guild, Members' products are made available to the public.
- 3.4 To combat the isolation of self-employed craftsmen with the mutual help of the Members, both professionally and socially.
- 3.5 To promote greater interest in and knowledge of the various crafts.

4.0 RULES

- 4.1 All Members are expected to attend meetings and play an active part in the work of the Guild.
- 4.2 All full Members are expected, from time to time, to serve on working parties and hold an office on the Organising Committee.
- 4.3 All Members are expected to exhibit their work at shows as frequently as possible.
- 4.4 Members may only exhibit work designed and produced by them and may not, without the approval of the Committee of Craftsmen, exhibit in a different craft from that in which they were elected into membership.
- 4.5 **Members are expected to comply with the overall layout design of each show, which is prepared by the Exhibition Secretary.**
- 4.6 **When exhibiting, Members are expected to play an active part in mounting and dismantling Shows.**
- 4.7 At the discretion of the members of the Organising Committee present, any work considered to be sub-standard or badly displayed may be removed from a show, after discussion with the Member concerned.

- 4.8 Members shall ensure that there are stewards covering their stands at all times during a show and by familiarising themselves with the work of other Members shall be able to help generally with sales and to steward other Members' stands in emergencies.
- 4.9 Members are expected to be ambassadors for the Guild at all times.
- 4.10 The Guild shall be self-supporting and non-profit making, i.e. Members shall not personally benefit from any surplus monies.

5.0 EQUAL OPPORTUNITIES POLICY

- 5.1 The Guild welcomes on equal basis, regardless of disability, sex, colour, race age, religion, marital status or sexual orientation, everyone who shares its aims and who fulfils the criteria for Guild Membership as defined in this Constitution.
- 5.2 The Guild will make accessibility a priority when booking venues for shows.

6.0 ADMISSION OF MEMBERS

- 6.1 Membership is not exclusive to residents of Worcestershire.
- 6.2 The number of members from each craft is not limited.
- 6.3 Each applicant (either an Individual or a Partnership) will complete the approved form, obtainable from the Membership Secretary. At an agreed time the applicant will be asked to submit examples of work to an Ordinary Meeting of the Committee of Craftsmen, which will consider the work, together with the applicant's form.

Applicants will be invited to make a verbal presentation about their work, career and reasons for wishing to join the Guild. Applicants who declined this offer will not be disadvantaged.

All applicants will be notified in writing of the Committee's decision. A successful applicant will be offered Guest Exhibitor membership for a probationary period during which they should exhibit at three major Guild shows over a period of not less than eighteen months.

The Membership Secretary will introduce the successful applicant to a Full Member of the Guild, who will act as a Mentor. Membership will be reconsidered if the Guest Exhibitor participates at no shows during the probationary period.

For further information see Supplement 5 - Mentoring Guidelines. Following satisfactory completion of the above conditions the applicant will be considered for full membership by the Committee of Craftsmen.

Alternatively, a new applicant may be invited to exhibit at one Guild show as an Invited Craftsman. This may or not result in the Committee offering the applicant Guest Exhibitor membership. All the Committee's decisions will be made known in writing.

When a new Guest Exhibitor has been elected by the Guild, the Membership Secretary will ask a Full Member, with a similar specialism or craft, to become a Mentor. Contact details of the Mentor and Guest will be exchanged.

After **an initial conversation** regular meetings/discussions should take place, particularly

before the Guest Exhibitors first show - to discuss procedures for showing, expectations etc, and **after each show** - to discuss successes and concerns.

These short friendly and supportive sessions are intended to address concerns and queries on both sides and offer reassurance as needed.

If the Mentor is not exhibiting at a show, they may ask another Full Member to act in their place for that meeting.

Rules, 4.00.

'At the discretion of the Organising Committee present, any work considered to be sub-standard or badly displayed may be removed from a show, after discussion with the member concerned'. (This may also include inappropriate work) *Rules,4.7.*

Any Full Member having concerns about a Guest Exhibitor should draw the matter to the attention of the Mentor, who will either deal with it immediately or take it to their next meeting with the Guest Exhibitor. (A list of Mentors names are held by the Membership Secretary)

If the Mentor has concerns about the suitability of a Guest Exhibitor becoming a Full Member, that they feel unable to resolve through discussion with the Guest, the problem will be brought to the attention of the Membership Secretary and/or Organising Committee.

If a Guest Exhibitor has problems with his/her Mentor, they should draw the matter to the attention of the Membership Secretary.

One month prior to a meeting at which Guest Exhibitors are considered for Designer-Craftsman membership, the Membership Secretary will ask each Guest, in writing, if he/she still wishes to be considered for full Membership of the Guild. At this time Guests should be encouraged to consider how appropriate the Guild is for them. e.g. Is it the right outlet for their work and are they able to commit enough time to their work or to the Guild?
